THE CATALOG

This pricing catalog lists many of the items we grow and sell, but it is far from being a complete listing. As always, we enjoy looking over your plant lists and helping you locate all the material you want. Also, prices fluctuate – so let us give you an up-to-date quotation on your list. Our fax number is 508-842-9245. Our E-mail address is: sales@bigelownurseries.com

THE FARMS

We enjoy farming and plan to continue to grow plants for the Northeast for decades to come. We take our role of stewarding soil and water resources very seriously. We currently have farms in Northboro, Sterling, Boylston, and Charlton, producing plants in the field and in container. As we have reached a century of growing, we certainly understand the long term logic of sustainable agriculture. We energetically support both our industry's and the environmental community's efforts to educate about the critical role that plant material plays in clean water, habitat restoration, shore erosion, and quality of life. We are proud to be "Growing Green" for 103 years and welcome visits to our farms.

NURSERY SALES YARD

We maintain one of the largest above ground B&B inventories in the country. Often, our customers reserve plant material for use on upcoming plantings. We allow wholesale customers or their professional representatives to tag plant material. We will not tag material with the clients of wholesale customers unless accompanied by the wholesale customer or landscape architect. Plants selected and tagged by retail customers with our retail salespeople will be charged retail prices. As a service to our customers, we care for reserved plant material at no additional cost, for a reasonable period of time. The reasonable limit of time which plants can be reserved should be discussed at time of purchase. A non-refundable deposit may also be required to hold plant material. Orders can be scheduled to be picked up or delivered on our own fleet of trucks.

TERMS AND CONDITIONS

Our terms are cash. Credit may be arranged for responsible parties. We accept Mastercard, Visa, and American Express.

Overdue accounts are subject to a 1-1/2% per month (18% per annum) service charge plus cost of collection, if necessary. A charge of \$25.00 plus disallowance of any cash discount will be assessed for bad checks.

We reserve the right to charge a handling fee on merchandise returned in good condition, or canceled after digging. Stock not claimed soon after specified pickup date may be considered canceled.

Orders picked up or delivered in Massachusetts will be charged 6.25% sales tax unless we have a Massachusetts or Federal Sales Tax Exemption Certificate in our files.

These prices, effective January 1, 2018 cancel all previous prices, and are subject to change without notice. We accept all orders subject to the approval of management, prior sales, and circumstances over which we have no control.

CLAIMS

We take great care to see that only plants in good condition and true to name leave our nursery. On retail purchases, we guarantee the future growth or performance of these plants unless advised otherwise. Our sales people are well qualified to supply proper planting and care instruction at any time.

We are glad to correct any error. Liability in all instances will be limited to the purchase price and will consist of a credit refund, or replacement of the stock at our option. Claims will not be considered on accounts not paid when due.

“OUR AIM IS SATISFIED CUSTOMERS”

We know that no business can grow or even exist to any degree without the good will and support of it's customers. We are constantly working to bring you better plants and improved varieties at reasonable prices.

The Bigelow Team
